Autodesk Inventor Fusion

Imagine the new and exciting ideas you can create using Autodesk Inventor Fusion technology to bring your designs to life. This new, 3D CAD modeling software enables creation of designs through intuitive direct manipulation and easy to understand design tools.

Features:

- **2D Sketching:** Start your designs by using simple 2D sketch tools. Control sketches with dimensions. Create 2D layouts from which you can create multiple shapes fast.
- **Direct Modeling:** Push – pull and edit your way to your final desired result. Direct modeling means you can focus on your design task and not on complex modeling commands and dialogs. Autodesk Inventor Fusion technology is a history free 3D...
